

PM 5664 & PM 5664D Component Waveform Monitor

Service Manual – section 2: Diagrams and component placements

Diagrams and component placement.

Note: Diagrams are assembled in a sequence as below:

Block diagram	13-1
Wiring diagram	13-2
Unit 1 - Power Supply	
Component Location	13-3
Diagrams	13-4
Unit 1a - CRT Board and Illumination Panel	
Component Location & Diagram.....	13-6
Unit 2 - CRT Control	
Component Location & Diagram.....	13-7
Unit 3 - Deflection Amplifier	
Component Location	13-8
Diagrams	13-9
Unit 4 - Signal Processor	
Component Location	13-11
Diagrams	13-12
Sub-unit: Sync Separator	13-18
Unit 5 - Potentiometer Board	
Component Location & Diagram.....	13-20
Unit 6 - Keyboard	
Component Location & Diagram.....	13-21
Unit 7 - Control Board	
Component Location	13-22
Diagram.....	13-23
Unit 8 - RGB Monitor	
Component Location	13-26
Diagram.....	13-27
Unit 9 SDI input (Only in PM 5664D)-	
AJA module D10C	no service information available
